1. Dirigo 1x MidWeight single rowing shell

- Composite Yellow hull with all parts seat, riggers, and shoes
- Manufacture date early 1990's
- Boat is suitable for a mid-weight rower 140 to 180 lbs
- \$950

2. Kaschper 1x MidWeight single rowing shell for sale

- This is a 1980's vintage shell, in the "Zebra" style meaning that it is a translucent composite with carbon fiber strands running across the beam of the boat in "stripes" to lend stiffness to the shell. Boat has a "soft" vinyl type deck.
- Boat is suitable for a mid-weight rower 140 to 180#
- Hull with all parts seat and updated riggers, shoes.
- \$850
